The part of this job I care most about is the client relationship. Understanding the KPIs a brand is actually measured on, building the strategy that gets there, and owning the result. Ten years in organic search, from teaching myself SEO in 2016 to leading a team and a portfolio of national brands today, with most of my focus lately on how brands stay visible as AI changes the way people search.

EXPERIENCE

GR0 Remote · November 2021 - Present

Associate Director of SEO & AI Search

Jul 2026 - Present

- Lead SEO and AI search strategy for a portfolio of 10+ national brands
- Mentor three senior campaign managers on strategy, escalations, and client direction
- Own the agency AI search practice across ChatGPT, Perplexity, and Google AI Overviews
- Build internal automation that takes manual reporting and auditing off the team

Senior SEO Campaign Manager

Dec 2025 - Jul 2026

- Ran end-to-end campaigns for TickPick, AdQuick, Mac Duggal, and Bark
- Owned client strategy, reporting, and the KPI conversations that came with it
- Built blended Search Console, GA4, and Ahrefs reporting with LLM referral tracking

SEO Campaign Manager

2023 - Dec 2025

- Led the multi-year campaigns behind six published case studies, and wrote them
- Grew one client from 160 to 58,000+ monthly organic visits
- Took another from #29 to #2 on a 93,000-search keyword
- Coordinated a 195-piece content program alongside link building and technical fixes

SEO Strategist

Nov 2021 - 2023

- Keyword research, content briefs, and on-page optimization across a client portfolio
- Built the recommendations campaign managers carried into client calls

Level 10 Contractor Remote · 2020 - 2021

Head of SEO Operations

promoted from SEO Strategist

- Managed a team of writers and owned every client-facing conversation
- Built the keyword research and content workflow the whole team ran on
- Moved from strategist to running operations in under a year

Freelance SEO Self-employed · 2016 - 2020

- Taught myself SEO through online coursework, then built a client roster from nothing
- Owned it all solo: research, content, on-page, link building, and client reporting
- Kept the business running on referrals and repeat work for four years

SELECTED RESULTS

- **TickPick** +1,844% AI-driven sessions and +843% revenue from AI-assistant traffic
